(United Kingdom)**

**(The Timeshare, Holiday Products, Resale and Exchange Contracts Regulation 2010) (Regulation 13(2)(a))
Part 1**

Identity, place of residence and legal status of the trader(s) which will be party to the contract:

Disney Vacation Development, Inc. ("DVD"), a Florida corporation, is the developer of each of the Disney Vacation Club Resorts ("DVC Resorts") that constitute the Disney Vacation Club ("DVC" or the "Club"). DVD's principal place of business is 1390 Celebration Blvd., Celebration, Florida 34747.

Disney Vacation Club Management Corp. ("DVCMC"), a Florida corporation, is the management company for all of the DVC Resorts except the Aulani Resort. Disney Vacation Club Hawaii Management Company, LLC ("DVCHMC"), a Florida limited liability company, is the management company for the Aulani Resort. DVCMC and DVCHMC are referred to as the "Management Companies." Buena Vista Trading Company ("BVTC"), a Florida corporation, is the internal exchange company responsible for managing exchanges among DVC Resorts. DVCMC, DVCHMC and BVTC are located at 1390 Celebration Boulevard, Celebration, Florida 34747. DVD, DVCMC, DVCHMC and BVTC are subsidiaries of The Walt Disney Company ("TWDC"), a publicly traded Delaware corporation.

All acronyms and capitalized terms used herein and not defined herein shall have the meanings ascribed to them in either the section of the Florida Component Site Public Offering Statement Text entitled "Definitions and Abbreviations", in the Declaration which is included as Exhibit 2 to the Florida Component Site Offering Statement or in the Section of the Florida Multi-Site Public Offering Statement entitled "Definitions and Abbreviations".

Other resort properties may be added to or become affiliated with the Club, but there is no obligation on the part of DVD to do so, and no assurance is given that such an expansion of the Club will occur. Neither DVD nor its parent, nor any of its affiliated companies, have any obligation to build any additional DVC Resorts or to add additional component sites to the Club. Do not purchase an Ownership Interest in a DVC Resort in reliance upon the addition of new resorts or component sites.

Exact nature and content of the right(s):

If you decide to purchase, DVD will convey to you, by Deed, an undivided real estate interest ("**Ownership Interest**") in a Unit (consisting of one or more Vacation Homes) in a specific DVC Resort along with the Unit's undivided interest in the Common Elements of the DVC Resort. The specific DVC Resort in which you purchase an Ownership Interest will be your "**Home Resort**". At the time of conveyance you automatically become a Member of the Club. Your Ownership Interest will be symbolized by the number of Home Resort Vacation Points identified in your Deed. Your Deed will also identify your "**Use Year**", which identifies the calendar month every year in which you will receive your annual allotment of Home Resort Vacation Points – you have 12 months following that calendar month within which to use your annual allotment of Home Resort Vacation Points. Please refer to Part 3 of this document for more details.

Exact period within which the right which is the subject of the contract may be exercised and, if necessary, its duration:

Each DVC Resort has its own termination date. The vacation ownership plans for some DVC Resorts expire earlier than the vacation ownership plan for other DVC Resorts.

Resort

Termination Date

Disney Vacation Club at WALT DISNEY WORLD Resort	January 31, 2057
Disney Vacation Club at Vero Beach	January 31, 2042
Disney Vacation Club at Hilton Head Island Horizontal Property Regime	January 31, 2042
Disney Vacation Club at Disney's BoardWalk Villas,	January 31, 2042
The Villas at Disney's Wilderness Lodge	January 31, 2042
Disney's Beach Club Villas	January 31, 2042
Disney's Saratoga Springs Resort	January 31, 2054
Disney's Animal Kingdom Villas	January 31, 2057
Bay Lake Tower at Disney's Contemporary Resort	January 31, 2060
The Villas at Disney's Grand Californian Hotel	January 31, 2060
Aulani, <i>Disney Vacation Club</i> ® Villas, Ko Olina, Hawai i	January 31, 2062
The Villas at Disney's Grand Floridian Resort	January 31, 2064

Date on which the consumer may start to exercise the contractual right:

You may request reservations on the date of your purchase for stays beginning on the later of (1) the date your Unit is available for occupancy; (2) the date of the closing of your Ownership Interest; or (3) commencement of your first Use Year. DVD may permit you to reserve accommodations available at your Home Resort or at other DVC Resorts prior to that time, upon the satisfaction of certain conditions specified in your purchase agreement.

If the contract concerns specific property under construction, date when the accommodations and services/facilities will be completed/available:

Construction of all accommodations and amenities at each of the current Disney Vacation Club Resorts is substantially complete, except for accommodations in Phase 3 of Aulani, *Disney Vacation Club*® Villas, Ko Olina, Hawai i which are scheduled for completion in Spring, 2013. In addition, accommodations at The Villas at Disney's Grand Floridian Resort are scheduled to be completed in Fall, 2013.

Price to be paid by the consumer for acquiring the right(s):

The purchase price for an Ownership Interest may differ by resort and the prices may change from time to time. The purchase price paid by a Purchaser is determined by multiplying the total number of Vacation Points represented by the Ownership Interest and multiplying by the price per Vacation Point. All prices are in U.S. Dollars. The following is the current purchase price (per vacation point) for the DVC resorts as of 03/20/2013:

<u>Resort</u>	<u>Purchase Price</u>
Disney Vacation Club at Vero Beach	\$105 per Vacation Point
Disney Vacation Club at Hilton Head Island Horizontal Property Regime	\$105 per Vacation Point
Disney Vacation Club at WALT DISNEY WORLD Resort	\$130 per Vacation Point
Disney's Saratoga Springs Resort	\$130 per Vacation Point
The Villas at Disney's Wilderness Lodge	\$130 per Vacation Point
Disney Vacation Club at Disney's BoardWalk Villas,	\$130 per Vacation Point
Disney's Beach Club Villas	\$130 per Vacation Point
Disney's Animal Kingdom Villas	\$150 per Vacation Point
The Villas at Disney's Grand Californian Hotel	\$165 per Vacation Point
Aulani, <i>Disney Vacation Club</i> ® Villas, Ko Olina, Hawai i	\$160 per Vacation Point
Bay Lake Tower at Disney's Contemporary Resort	\$165 per Vacation Point
The Villas at Disney's Grand Floridian Resort	\$165 per Vacation Point

For example, if you want to purchase a 160 Vacation Point Ownership Interest at The Grand Floridian Resort, the purchase price would be \$26,400.00 (\$165 x 160); and if you want to purchase a 200 Vacation Point Ownership Interest at The Grand Floridian Resort the purchase price would be \$33,000.00 (\$165 x 200).

Outline of the additional obligatory costs imposed under the contract; type of costs and indication of amounts (e.g., annual fees, other recurrent fees, special levies, local taxes):

In addition to the purchase price, you will pay closing costs, financing costs (if applicable) and annual dues. There may also be fees for use of certain facilities that are not part of the Club, and an exchange transaction fee is due for each external exchange requested. In addition, a transient occupancy tax is due on accommodations at Aulani. Please refer to Part 3 of this document for more details.

A summary of the key services available to the consumer (e.g., electricity water, maintenance, refuse collection) and an indication of the amount to be paid by the consumer for such services:

Water, electricity, refuse, sewerage, natural gas, fire protection, cable and telephone services are/will be provided by the appropriate local agencies. In addition, bus and monorail services are available to members staying at DVC Resorts located at the *Walt Disney World* Resort. The costs for these services will be included in the annual dues. Please refer to the Estimated Budgets for your Home Resort for more details.

A summary of the facilities available to the consumer (e.g. swimming pool or sauna):

The DVC Resorts offer a variety of amenities which differ from resort to resort, including pools, hot tubs, tennis courts, tot lots, and other recreational and support facilities. These amenities and facilities may be Common Elements or may be available for use via easements rights granted in the governing documents for the specific DVC Resort, requiring Members to pay their proportionate share of maintaining such facilities, the cost of which is included in Annual Dues for the specific DVC Resort. Please refer to Part 3 of this document and Section 5 of the Florida Component Site Public Offering Statement for each DVC Resort for more details.

Are these facilities included in the cost indicated above? If not, specify what is included and what has to be paid for:

Members are required to pay their proportionate share of maintaining certain facilities pursuant to and as set forth in governing documents for each DVC Resort. Such costs are included in the annual dues.

The purchase price which you will pay for your Ownership Interest, as well as the payment of annual dues, are not inclusive of all aspects of your vacation-related expenses, and you should anticipate certain other expenses in connection with your vacation use of any Vacation Home at a DVC Resort (such as travel expenses).

In addition, there may be certain user fees associated with your visit at a particular DVC Resort for amenities that are not included in the Club including, for example, theme park/water park admission, restaurant bills, food and beverages, transportation, recreation expenses (e.g., bicycle or boat rental, golf fees, snorkeling, beach furniture rentals, etc.) event fees, spa fees, etc.

Is it possible to join an exchange scheme? If yes, specify the exchange scheme:

The following exchange opportunities are currently available to Members and participation by Members is voluntary:

RCI External Exchange Program: Pursuant to an agreement between RCI, LLC ("RCI"), a Delaware limited liability company located at 7 Sylvan Way, Parsippany, New Jersey 07054, DVCMC has become a "corporate member" of the RCI exchange program. Under the terms of the "corporate member" agreement, Members can exchange into resorts affiliated with RCI through the Club. Please refer to the External Exchange Documents for procedures and restrictions involved in requesting an exchange into the RCI system. The availability of exchange accommodations through the RCI exchange program is entirely dependent upon the accommodations from various RCI affiliated resorts deposited into the program by other RCI members from time to time. Thus, you have no assurance that RCI will be able to provide you with an accommodation that meets your needs and desires when you want it or at a particular time. There will likely be significant competition for the most desirable locations and times for use of the resorts affiliated with RCI. Moreover, the exchange accommodation received will not necessarily be comparable in size, layout, furnishings, services, or amenities to the Vacation Homes in the DVC Resorts. Members are prohibited from renting to a third party any RCI affiliated resort accommodations reserved through the exchange system.

The term of the RCI agreement extends through December 31, 2013. DVD makes no commitment to extend or renew the RCI agreement for any particular length of time and has no obligation to do so. Upon termination or expiration of the RCI agreement, DVD or DVCMC, subject to its reasonable business judgment as to availability and economic feasibility, will use reasonable efforts to enter into another agreement of short or long duration with RCI or with another provider of external exchange services so that Members will have the opportunity to avail themselves of alternative vacation opportunities through the duration of the Club. There can be no assurance, however, that those efforts will be successful. Under such circumstances, you may contact RCI or another provider of external exchange services directly to establish individual external exchange privileges. There can be no assurance, however, that you will be able to satisfy the terms and conditions then required by RCI or another provider of external exchange services to participate individually in the RCI or other external exchange program. If neither DVD, the Management Company nor you are successful in establishing an agreement with RCI or another provider of external exchange services, your ability to request future external exchanges outside of the Club will cease.

Limited Affiliation Agreements: BVTC has entered into direct exchange agreements on a limited inventory and duration basis with certain exchange program companies (other than RCI) and promoters of other vacation plans for the purpose of providing exchange opportunities for Members at vacation resorts that are not associated with the Club. The Management Company has become a "corporate participant" in the BVTC exchange program on behalf of Members to enable Members to access these vacation resorts. You should refer to their External Exchange Documents for procedures and restrictions involved in requesting an exchange through any of the exchange agreements. None of the parties to the limited affiliation agreements is obligated to renew the respective agreement. Upon termination or expiration, subject to BVTC's reasonable business judgment as to availability and economic feasibility, reasonable efforts will be made to enter into another agreement of short or long duration with the current providers or with another provider(s) of external exchange services so that Members will have the opportunity to avail themselves of alternative vacation opportunities through the duration of the Club. There can be no assurance, however, that BVTC will be successful in doing so.

Other Exchange Opportunities: DVD has entered into various agreements with other Disney entities and other third parties to provide Members with exchange opportunities for (1) other Disney resorts and vacation opportunities that are not associated with or part of the Club, and (2) third party hotel resorts that are not timeshare or vacation ownership resorts. You must purchase your Ownership Interest directly from DVD to have access to these exchange opportunities. DVD reserves the right to amend the terms and conditions of, or modify, supplement or terminate, any of these exchange opportunities at any time and without notice, in its sole discretion. Please see the Member Benefits Guides for more details.

Indication of costs for membership/exchange:

If and when you voluntarily elect to participate in any one of these exchange opportunities, you will be charged an exchange transaction fee which is currently \$95 (US). The exchange transaction fee is due for each exchange requested at the time each request is submitted. The amount of the exchange transaction fee may increase from time to time. Further, the transaction fee is non-refundable, unless a match cannot be found for the request.

Has the trader signed a code/codes of conduct and, if yes, where can it/they be found?

As a member of the American Resort Development Association (ARDA)(www.arda.org), DVD has agreed to comply with the ARDA Code of Ethics, The ARDA Code of Ethics can be found at <http://www.arda.org/ethics/>.

Part 2

General information:

- The consumer has the right to withdraw from this contract without giving any reason within 14 days from the conclusion of the contract or receipt of the contract if that takes place later.
- During this withdrawal period, any advance payment by the consumer is prohibited. The prohibition concerns any consideration, including payment, provision of guarantees, reservation of money on accounts, explicit acknowledgement of debt etc. It includes not only payment to the trader, but also to third parties.
- The consumer shall not bear any costs or obligations other than those specified in the contract.
- In accordance with international private law, the contract may be governed by a law other than the law of the Member State in which the consumer is resident or is habitually domiciled and possible disputes may be referred to courts other than those of the Member State in which the consumer is resident or is habitually domiciled.

Additional information to which the consumer is entitled and where it can be obtained specifically (for instance, under which chapter of a general brochure) if not provided below:

1. INFORMATION ABOUT THE RIGHTS ACQUIRED

DVC is a specific interest multi-site time-share plan. To become a Member you must purchase a real estate interest ("**Ownership Interest**") at a DVC Resort. Each of the DVC Resorts is a timeshare condominium created under applicable law. Purchasers may choose to buy an Ownership Interest at any of the DVC Resorts, subject to availability of inventory.

When you purchase an Ownership Interest, you are buying an undivided interest in a particular Unit (along with the Unit's undivided interest in the Common Areas/Elements) within the DVC Resort. This Ownership Interest will be conveyed to you by means of a deed. The term "undivided" in this context means that, although you are buying an interest in a particular Unit, you are not buying a particular piece or portion of the Unit; rather, you are buying a percentage interest in the Unit as a whole, making you a co-owner of that Unit along with DVD and other purchasers. Your relationship with the other co-owners of the Unit in which you own an Ownership Interest is governed by a Master Cotenancy Agreement, which provides that DVD will act as the representative of all of the co-owners of each Unit at meetings of the condominium or owners association for each DVC Resort. A "Unit" corresponds to all or a portion of a building in a DVC Resort and a "Vacation Home" refers to an accommodation within a Unit.

Membership in the Club is an "appurtenance" to each Ownership Interest in accordance with the governing documents for each DVC Resort. Therefore, when you purchase your Ownership Interest in a DVC Resort, you automatically become a Member of the Club. Your membership in the Club follows your Ownership Interest and cannot be separated from it. For example, if your Ownership Interest is sold or otherwise transferred, the new Owner of your Ownership Interest will become the Member. Thus, there is no way to become a Member without owning an Ownership Interest in a DVC Resort.

The Club "central reservation system" is the vehicle through which the exclusive use of your Ownership Interest is managed. This central reservation system is comprised of two component parts: the Home Resort Reservation Component and the DVC Reservation Component.

The Home Resort Reservation Component serves as the means through which you reserve the use of the Vacation Homes at your Home Resort. You may have more than one Home Resort if you own an Ownership Interest at more than one DVC Resort. Your ability to make a reservation at your Home Resort is subject to the priorities, restrictions and limitations are set forth in the Membership Agreement and the Home Resort Rules and Regulations for your Home Resort. The Management Company for your Home Resort may, without your consent, change these reservation rules and priorities from time to time in accordance with applicable law.

The DVC Reservation Component serves as the means through which you reserve the use of Vacation Homes at other DVC Resorts. Your ability to make a reservation is subject to the priorities, restrictions and limitations set forth in the DVC Resort Agreement for each DVC Resort and the Disclosure Guide issued by BVTC from time to time. BVTC may, without your consent, change these reservation rules and priorities from time to time in accordance with applicable law.

Each DVC Resort and the Club use a "vacation points system" for allocating the right to use the accommodations of each DVC Resort. Under this system, an Owner's Ownership Interest is symbolized by a certain number of "**Home Resort Vacation Points**". The larger your Ownership Interest, the more Home Resort Vacation Points you receive. Home Resort Vacation Points have no value of their own but are merely used for administrative convenience to represent the size of Your Ownership Interest and to facilitate the operation of each DVC Resort and the reservation system. Your Home Resort Vacation Points cannot be separated from your Ownership Interest. Every year on the first day of your Use Year, you will receive a full complement of Home Resort Vacation Points. Each Use Year, you may use your Home Resort Vacation Points for that Use Year to make a reservation for a Vacation Home at your Home Resort or voluntarily convert some or all of your Home Resort Vacation Points into DVC Vacation Points which you can then use to make a reservation at other DVC Resorts. If you do not use your full complement of Vacation Points within a given Use Year, you will not be able to carry forward your Vacation Points into the next Use Year, except to the limited extent permitted by Banking. Banking and Borrowing are use management options which, subject to their suspension by the Management Company, permit you to use Vacation Points from the next succeeding Use Year in the immediately preceding Use Year (Borrowing) or to defer the use of the Vacation Points from the current Use Year into the following Use Year (Banking). Your ability to either Bank or Borrow at any given time is further limited by the level of general Banking and Borrowing that exists at that particular time.

The actual number of Home Resort Vacation Points that you receive are set forth in your Purchase Agreement and in your Deed. So long as you are a Member, your number of Home Resort Vacation Points will neither increase nor decrease unless you purchase additional Ownership Interests or sell your Ownership Interest. As set forth in the Membership Agreement for your Home Resort, the Management Company has the right to re-allocate the number of Home Resort Vacation Points required to make a reservation for a Vacation Home during particular Use Days at your Home Resort to respond to changes in use demand, subject to certain limitations.

If you decide to reserve a Vacation Home at a DVC Resort other than your Home Resort, you can convert your Home Resort Vacation Points into DVC Vacation Points for the purpose of making the reservation. The number of DVC Vacation Points required to make reservations at a DVC Resort from any other DVC Resort is determined by BVTC in its sole, absolute and unfettered discretion from year to year, and BVTC shall make such periodic adjustments as are necessary in order to respond to actual Member use patterns and changes in Member use demand.

The key feature of the Club central reservation system is the first come, first served nature of your use rights. Although you will own an Ownership Interest in a specific Unit at a specific DVC Resort, your actual use may occur in a Vacation Home located within a Unit in which you have no Ownership Interest or a Unit at a different DVC Resort. Without a confirmed reservation, you have no right to any particular Vacation Home, Unit, time period or specific day.

Your ability to receive a confirmed reservation request is dependent upon the availability of the particular Vacation Home type for the time requested; therefore, there can be no guarantee that a particular reservation request can be fulfilled. The longer you wait to make reservations, the less likely it is that you will be able to reserve your first choice of Vacation Home types or use periods. If you do not make reservations in a timely manner, you may have to accept whatever remaining use periods and Vacation Homes are available. If the remaining use periods and Vacation Homes are not convenient to your plans or schedule, you may lose your use rights for that year. In addition, a reservation list may be established for certain Use Days that occur during special seasons when there is high demand. You or any other Member can only make reservations for these special season Use Days by having your name added to a *Special Season* Preference List. Names are added to this list on a first come, first served basis (subject to a one (1) month Home Resort Priority Period) and you will be offered the opportunity to book a special season reservation in the order that your name appears. Where appropriate, the Management Company may institute a lottery system for selecting Members from a *Special*

Season Preference List.

You should be aware that when you seek to make a reservation at your Home Resort or at other DVC Resorts, other Members at your Home Resort or from other DVC Resorts will also be seeking to make the same reservation. To address the potential demand for reservations at your Home Resort, the Management Company has implemented a Home Resort Priority Period at your Home Resort during which you receive an exclusive right to reserve the use of a Vacation Home at your Home Resort with respect to a given Use Day on a first come, first served basis, with other owners who own Ownership Interests at your Home Resort, eleven (11) months through and including eight (8) months in advance of that Use Day. Owners of Ownership Interests at DVC Resorts other than your Home Resort may only attempt to reserve the use of that Vacation Home for that Use Day during the period commencing seven (7) months in advance of that Use Day. The Management Company has implemented a Home Resort Priority Period at each of the DVC Resorts, and, therefore, your ability to reserve a Vacation Home at a DVC Resort will be subject to the Home Resort Priority Period rights of the owners of Ownership Interests at those other DVC Resorts. This four (4) month Home Resort Priority Period does not apply to the *Special Season* Preference Lists described above.

The Management Company has reserved the right to increase or decrease the Home Resort Priority Period for a given DVC Resort; provided, however, in no event will the Home Resort Priority Period to a period be decreased to less than one (1) month.

At the Aulani Resort, DVD has reserved the right to sell Ownership Interests with Fixed Use Periods, meaning that Owners of those Ownership Interests have the right to use a specific type of Vacation Home (for example a 2-Bedroom Ocean View) during a specific time period (for example, a week that includes Christmas day). Reservations for Ownership Interests having Fixed Use Periods are confirmed automatically on a priority basis. This reservation priority effectively preempts other Club Members from reserving those time periods, despite the first-come, first-served basis for reservations at the Aulani Resort. This may adversely affect an Owner's ability to make reservations at the Aulani Resort during high demand seasons. However, DVD will not sell Ownership Interests with Fixed Use Periods that include more than thirty-five percent (35%) of any specific Use Day for any specific Vacation Home Type in the plan. This means, for example, that Christmas day will be available for reservation on a first-come, first-served basis in at least sixty-five percent (65%) of the 2 Bedroom Ocean View Vacation Homes

Unless you purchase an Ownership Interest with a Fixed Use Period at the Aulani Resort, you should not purchase an Ownership Interest at a particular DVC Resort with the expectation of reserving Vacation Homes at that Home Resort at the same time every year. You should not purchase an Ownership Interest at a particular DVC Resort with the expectation of reserving Vacation Homes at another particular DVC Resort for a particular calendar year, although there will be some Vacation Home at a DVC Resort available for you to reserve.

If resorts other than the existing DVC Resorts are associated as DVC Resorts in the future, demand for use may vary among different DVC Resorts such that the ability of a purchaser to reserve a Vacation Home at a "high demand" DVC Resort may be diminished as compared to his or her Home Resort. Certain destination resorts within the Club may receive more reservation requests than other DVC Resorts within the Club or may be more popular at certain times during the year. Although the Management Company and BVTC plan to take steps to attempt to spread demand among DVC Resorts in order to avoid demand imbalances, there can be no assurance that these steps will ultimately prevent demand imbalances among DVC Resorts. In addition, BVTC reserves the right, with respect to the DVC Resort Agreement for the Aulani Resort to charge an in-bound exchange fee for the Aulani Resort if it experiences higher than anticipated use demand relative to the other DVC Resorts.

See Part 1 of this document for a description of the current exchange opportunities.

3. ADDITIONAL REQUIREMENTS FOR ACCOMMODATION UNDER CONSTRUCTION (where applicable)

Construction of all accommodations and amenities at each of the existing Disney Vacation Club Resorts is substantially complete, except for accommodations at the Aulani Resort and the Grand Floridian Villas:

At the Aulani Resort:

Construction Phase	Estimated Completion	# of Vacation Homes	2BR Lock-off	Dedicated 2BR	Grand Villa
1	Complete	73	50	23	0
2	Complete	123	56	56	11
3	Spring 2013	264	140	114	10
Totals:		460	246	193	21

Upon completion of each Construction Phase, accommodations within the completed phase will be provided with water, electricity, refuse removal, sewerage, natural gas, fire protection, cable and telephone services by the appropriate local agencies. All amenities and recreational facilities at the Aulani Resort are available since completion of Construction Phase I. The Aulani Resort's building permit number is 657833 and the local building authority is the Department of Planning and Permitting, City and County of Honolulu. DVD has secured Bond #BVIC-HI-1 to assure completion of construction of the Aulani Resort. The Bond has been filed with the Department of Commerce and Consumer Affairs of the State of Hawai'i.

At the Grand Floridian Villas:

Construction Phase	Estimated Completion	# of Vacation Homes	2BR Lock-off	Dedicated 2BR	Grand Villa

Totals:		100	47	47	6

Upon completion of Construction Phase 1, accommodations within the completed phase will be provided with water, electricity, refuse removal, sewerage, natural gas, fire protection, cable and telephone services by the appropriate local agencies. All amenities and recreational facilities at the Grand Floridian Villas will be available upon completion of Construction Phase 1. The Grand Floridian Villas building permit number is BD11-0469 and the local building authority is Reedy Creek Improvement District. DVD has secured bond number SV11168687 to assure completion of construction of the Grand Floridian Villas and has filed the bond with the California Department of Real Estate.

4. INFORMATION ON THE COSTS

In addition to the purchase price (as described in Part 1 of this Schedule 1), Members pay the following: closing costs, financing costs (if the purchase is financed), annual dues (including real estate taxes), and exchange fees (if and when a Member elects to participate in external exchanges).

If and when a Member elects to stay at the Aulani Resort, the Member is required to pay a State of Hawaii nightly transient occupancy tax. Please see the Hawaii Timeshare Disclosure Statement for the Aulani Resort for more details.

The purchase price and these other costs are not, of course, inclusive of all aspects of your vacation-related expenses, and you should anticipate certain other expenses in connection with your vacation use of any Vacation Home at a DVC Resort (such as travel expenses). In addition, there may be certain user fees associated with your visit at a particular DVC Resort for amenities that are not included in the Club including, for example, theme park/water park admission,

restaurant bills, food and beverages, transportation, recreation expenses (e.g., bicycle or boat rental, golf fees, snorkeling, beach furniture rentals, etc.) event fees, spa fees, etc.

Closing Costs: Members pay the cost of recording the deed, a document preparation fee, any conveyance tax due on the deed, the premium cost for an owner's policy of title insurance and all escrow fees. If any portion of the purchase price and/or Closing costs is financed through DVD, Members also pay the cost of recording the mortgage or deed of trust and DVD pays the premium for a mortgagee policy of title insurance.

Financing Costs: If a Member chooses to finance a portion of the purchase price of an Ownership Interest with DVD, then the Member is required to sign and deliver a promissory note in favor of DVD for the amount of the financing, along with a mortgage or deed of trust, which will be a lien upon the Member's Ownership Interest. The promissory note requires the Member to make regular, periodic payments of principal and interest on the outstanding balance of the purchase price until paid in full. If the Member fails to pay the indebtedness as required by the promissory note and mortgage, then the Member may lose the Ownership Interest (along with all Club benefits applicable thereto) by foreclosure.

Annual Dues. Each Member is responsible for the payment of annual dues (which is the Member's share of the annual common expenses of the Member's Home Resort, a share of real estate taxes assessed against the Member's Unit and the Member's share of funding capital reserves for repair or replacement of major capital items) for so long as the Member owns the Ownership Interest, whether or not the Member uses it. The common expenses may increase over time; however, you should refer to the governing documents for your Home Resort for the limitations on the ability to increase common expenses without the vote of Unit owners. You should note that if the requisite approval to increase the budget is not obtained, the Management Company would be forced to reduce services to keep expenses within the approved budgeted amount. The common expenses include all costs associated with the operation of the DVC Resort and include the DVC Resort's share of the fees passed along by BVTC as compensation for the services it performs and a management fee (equal to 12% of the total budget) charged by the Management Company for managing the DVC Resort. Real estate taxes are separately assessed and could exceed the limits discussed above. For a copy of the Estimated Budgets and Schedule of Required Purchasers' Expenses for your Home Resort, please refer to Exhibit 6 of the corresponding Florida Component Site Public Offering Statement.

The current annual dues (in US dollars) for the calendar year 2014 per Home Resort Vacation Point for each DVC Resort is as noted in the following chart:

Resort Name	Estimated Operating & Reserves	Real Estate Taxes	Total	Annual Assessment for an Allocation of 230 Vacation Points
Disney's Old Key West Resort	\$4.5785	\$0.9626	\$5.5411	\$1,274.45
Disney's Vero Beach Resort				
Purchased prior to 01/01/96	\$5.4821	\$0.5862	\$6.0683	\$1,395.71
Purchased on/after 01/01/96	\$7.1669	\$0.5862	\$7.7531	\$1,783.21
Disney's Hilton Head Island Resort	\$6.0039	\$0.2798	\$6.2837	\$1,445.25
Disney's BoardWalk Villas	\$4.9126	\$1.0941	\$6.0067	\$1,381.54
The Villas as Disney's Wilderness Lodge	\$4.9247	\$1.0018	\$5.9265	\$1,363.10
Disney's Beach Club Villas	\$4.6979	\$1.0925	\$5.7904	\$1,331.79
Disney's Saratoga Springs Resort	\$9.9038	\$1.0110	\$10.9148	\$2,510.40
Disney's Animal Kingdom Resort	\$4.7784	\$1.1964	\$5.9748	\$1,374.20
Disney's Bay Lake Tower Resort	\$3.6263	\$1.1583	\$4.7846	\$1,100.46
The Villas at Disney's Grand Californian Hotel	\$40.6910	\$0.8675	\$41.5585	\$9,558.46
Aulani, <i>Disney Vacation Club</i> [®] Villas, Ko Olina, Hawaii	\$6.0266	\$0.4112	\$6.4378	\$1,480.69
The Villas at Disney's Grand Floridian Resort	\$4.1368	\$1.2772	\$5.4140	\$1,245.22

Members are required to pay the annual dues assessment regardless of whether you use an accommodation. If you fail to timely pay the annual dues, you will be subject to certain late charges and penalties as provided in the governing documents. Failure to make these payments on a timely basis may also result in the loss of your Ownership Interest (and your Club membership) through foreclosure of either a cotenant lien, an association lien or a tax lien.

Expenses of operation are difficult to predict accurately and, even if accurately estimated initially, most expenses increase with the age of facilities and with increases in the cost of living. Expenses may also increase if DVD elects to include additional facilities within your Home Resort.

DVD shall convey each Ownership Interest free and clear of all liens, encumbrances, defects, judgments and mortgages, except that each such Ownership Interest shall be subject to the following matters of title: the Condominium Documents; the Plan Documents, the Master Declaration; the Master Cotenancy Agreement; membership in the Club, which is an appurtenance to each Ownership Interest pursuant to the Declaration, the Membership Agreement and the DVC Resort Agreement; any mortgage or deed of trust placed upon the Member's Ownership Interest in connection with purchase-money or third-party financing; taxes and assessments for the year of purchase and subsequent years; and restrictions, reservations, conditions, limitations, and easements of record prior to purchase or imposed by governmental authorities having jurisdiction or control over the subject property. Prior to the Closing of an Ownership Interest, any discharge or partial release of liens, defects, judgments and mortgages affecting the Ownership Interest will be recorded in accordance with applicable laws.

5. INFORMATION ON TERMINATION OF THE CONTRACT

Your Ownership Interest terminates at the end of the term of the Vacation Ownership Plan for your Home Resort. In addition, at the end of the term of the Vacation Ownership Plan for each DVC Resort, that DVC Resort will no longer be part of the Club and Members of other DVC Resorts shall no longer have exchange rights into that DVC Resort.

In the event the Management Company is terminated for a DVC Resort without the consent of the BVTC, the DVC Resort Agreement which establishes Members' use rights among DVC Resorts, may be unilaterally terminated by BVTC, in which case that DVC Resort will no longer be considered a DVC Resort. Such termination would sever the relationships between that DVC Resort and other DVC Resorts and limit the use of accommodations for that DVC Resort solely to the Owners of Ownership Interests therein and those Owners will not have exchange rights to the remaining DVC Resorts. In addition, termination of the Management Company of a DVC Resort will automatically terminate the Membership Agreement for that DVC Resort, requiring the association for that DVC Resort to create its own reservation system and procedures for that DVC Resort. If either the Membership Agreement or the DVC Resort Agreement for a particular DVC Resort is terminated, the Management Company or BVTC, respectively, shall have the right to remove any and all personal property belonging to them and related to the operation and functioning of the Home Resort Reservation Component or the DVC Reservation Component, subject to any transition periods required under applicable law.

With respect to the Grand Californian Resort, the Bay Lake Tower Resort, the Animal Kingdom Resort, the Saratoga Springs Resort, the Beach Club Villas, the Wilderness Lodge Resort, the Old Key West Resort and the BoardWalk Villas, the terms of the ground lease for each resort provide that the lessor of the property (a Disney affiliate) has the ability to exercise its rights to terminate the ground lease should a default or breach of the ground lease occur after DVD, the Management Company or any affiliate is removed from the management of the association or DVD is removed as the voting representative by the co-owners of a majority of the Units in the resort. Given the high quality standards imposed upon the associations and the managers of those DVC Resorts by the respective ground leases, as a practical matter owners would have difficulty in finding a manager to replace any manager associated or affiliated with TWDC.

Your membership in the Club will automatically terminate in the event of one of the following (provided that you do not own another unaffected Ownership Interest): (i) you transfer your Ownership Interest; (ii) you no longer own an Ownership Interest as a result of an assessment lien or mortgage foreclosure proceeding; (iii) the DVC Resort where you own your Ownership Interest terminates in accordance with the governing documents; (iv) the Unit in which you own your Ownership Interest is removed from the DVC Resort by virtue of a casualty or eminent domain action where the Unit is not reconstructed or replaced; or (v) both the Membership Agreement and the DVC Resort Agreement for the DVC Resort where you own your Ownership Interest terminate.

You should know that your purchase of an Ownership Interest at a DVC Resort, with the appurtenant membership in the Club, will not entitle you to any legal or beneficial interest in TWDC or any of its subsidiaries or affiliates (collectively the "TWDC Companies") or their assets or any proprietary interest or right in any of The TWDC Companies (*i.e.*, no right or interest in the property, contract rights or business of any of The TWDC Companies). You will not be entitled to any share of income, gain or distribution by or of any of The TWDC Companies, and will not acquire any voting rights in respect of any of The TWDC Companies.

6. ADDITIONAL INFORMATION

Maintenance and Repairs:

Each DVC Resort is managed and operated by a condominium association (in the case of the Aulani Resort, by both a condominium association and a vacation owners association). Each association has entered into a Property Management Agreement with the Management Company and appointed the Management Company to manage and operate the DVC Resort subject to the direction of the association's board of directors (the "Board"). The Management Company is delegated such administrative functions and powers as shall be determined by each Board, including but not limited to: (a) supervision of the immediate management operation; (b) maintenance and repair; (c) lease, purchase, maintenance and replacement of furniture, fixtures and equipment; (d) employment, supervision and dismissal of such personnel as it deems necessary for maintenance and operation (e) entering into contracts with others for the furnishing of such services as it deems proper; (f) preparation of a proposed budget and schedule of assessments; (g) collection of all assessments and payment of all bills; (h) purchase of such insurance as is contemplated by the governing documents for such DVC Resort; and (i) custody and control of funds and maintenance of books and records and preparation of financial reports.

Maintenance and repair of Vacation Homes will be conducted by the Management Company on an as-needed basis during periods of time when the Vacation Homes are unoccupied, either because they have not been reserved by Members or because the Vacation Homes have been reserved for that purpose.

Administration and Management:

In addition to your mandatory membership in the Club upon your purchase of an Ownership Interest in a DVC Resort, you will also automatically become a member of the condominium association and/or the vacation owners association, as applicable, for your Home Resort. Your membership in the applicable associations is governed by the governing documents for your Home Resort including the Declaration of Condominium and/or the Plan Declaration and by the Bylaws of each association. The associations are the entities responsible for the overall management and operation of the DVC Resorts. The associations are not owned by TWDC or any affiliate or subsidiary of TWDC; although, they are effectively controlled by DVD. This control by DVD of the associations arises out of the fact that the Master Cotenancy Agreement appoints DVD as the "representative" of each Unit in each DVC Resort. This means that even after a majority of the Ownership Interests in a DVC Resort have been sold, DVD will control all association matters unless and until DVD is removed as representative by the owners of at least sixty percent (60%) of the Ownership Interests in a majority of the Units in the DVC Resort. DVD will be authorized to cast the vote for a given Unit at association meetings in whatever manner it deems appropriate provided that DVD is acting on behalf of the cotenants as a whole pursuant to its duties under applicable law; and further provided that DVD may not cast a Unit's vote at an association meeting with respect to certain specific matters without the written consent in advance of such meetings by the owners of sixty percent (60%) of the Ownership Interests in that Unit. This authority extends to the election of the board of directors of the association, as well as to other matters. At least sixty percent (60%) of the Ownership Interests in at least a majority of Units would be required in order for the Members to exercise any significant control over the association. Therefore, as a practical matter, the Owners of Ownership Interests in the Units in each DVC Resort will probably be unable to remove DVD from control of the association throughout the term of the DVC Resort.

There are also other limited grounds upon which DVD may be removed as the voting representative of any particular Unit (or from all Units in the DVC Resort, depending upon the votes by Owners). In addition, DVD may not cast a Unit vote as the representative of a particular Unit in a manner that would affect the Owners of the DVC Resort as a whole in a materially adverse way.

Each Property Management Agreement is for an initial term of either three (3) or five (5) years and contains terms for automatic three year renewals.

Under Florida's Condominium Act, the Management Company may not be removed as manager of the Bay Lake Tower Resort, the Animal Kingdom Resort, the Beach Club Villas, the Wilderness Lodge Resort, the Vero Beach Resort, the BoardWalk Villas, the Saratoga Springs Resort or the Old Key West Resort except by the concurrence of seventy-five percent (75%) of the voting interests in the DVC Resort other than the voting interests of DVD if Members other than DVD have assumed control of the association, or if Members other than DVD own not less than seventy-five percent (75%) of the voting interests in the DVC Resort. In addition, pursuant to Florida's Vacation Ownership and Timesharing Act, the Management Company may not be removed as manager of those DVC Resorts unless at least sixty-six percent (66%) of the Members voting (which must be at least fifty percent (50%) of all votes allocated to Members), vote to discharge the Management Company.

Under California law, the Management Company may not be removed as the manager of the Grand Californian Resort except upon the vote or written assent of a majority of the voting power residing in Members other than DVD.

Pursuant to the Property Management Agreement for the Hilton Head Resort, the Management Company may not be removed as manager of that DVC Resort unless at least sixty-six percent (66%) of the Members eligible to vote at a duly called meeting (which must be at least fifty percent (50%) of all votes allocated to Members), vote to discharge the Management Company.

Pursuant to the Property Management Agreements for the Aulani Resort, the Management Company may not be removed as manager of that DVC Resort unless Members representing a majority of the total voting interests of that DVC Resort vote to do so at an owner's meeting held within one year prior to a term expiration date and give notice of non-renewal to the Management Company at least ninety days prior to a term expiration date.

Because DVD, as co-tenant of each Unit at each DVC Resort, is the designated voting representative of each Unit at each DVC Resort and can only be removed as voting representative by the vote of 60% of the Owners in each such Unit, as a practical matter, Owners will have difficulty in accumulating sufficient votes to terminate the Management Company at any of the DVC Resorts.

Sale and Rental Limitations:

Neither DVD, the Club nor any of the DVC Resort associations offer any rental or resale program to Owners.

Ownership Interests are offered for personal use and enjoyment only and should not be purchased for resale or as an investment opportunity or with any expectation of achieving rental income, capital appreciation, or any other financial return or valuable benefit, including any tax benefit. You should not purchase an Ownership Interest based upon any expectation of deriving any rental or other revenue or profit therefrom.

You should not purchase an Ownership Interest with any expectation that that you will be able to rent, sell or refinance any Ownership Interest. As a practical matter, resale of an Ownership Interest or rental of a reserved Vacation Homes will be difficult given certain restrictions and other factors affecting resale, refinancing or rental. One such factor is the competition for sales and rentals that you will face from the sales and rental of unsold inventory by DVD and the sales and rental activities of The TWDC Companies with respect to unrelated properties around each DVC Resort.

No rental assistance is being offered by DVD, DVCMC, BVTC or any of the TWDC Companies. This means that if you wish to rent an Ownership Interest, you must rent your occupancy rights solely through your own efforts. As stated above, The TWDC Companies, including, without limitation, DVD, will be in competition with you for renters, and DVD will place its own inventory of Ownership Interests into a rental program of its own. All renters and exchangers must comply with the rules and regulations affecting occupancy of Vacation Homes, and you will be responsible for the acts or omissions of your renters or any other person or persons you permit to use your reserved Vacation Home.

While you are not prohibited from selling your Ownership Interest, you are only permitted to sell your entire Ownership Interest in a single transaction. In addition, you must first provide DVD the right (for a 30 day period) to purchase your Ownership Interest on the same terms and conditions as those which are offered to you by a prospective third-party purchaser in the event you receive an offer which you find acceptable. This right of first refusal in favor of DVD is set forth in the Declaration for your Home Resort and in your Purchase Agreement. In addition, depending upon your Home Resort, there may be additional requirements that you must satisfy before selling your Ownership Interest. Please refer to the governing documents for your Home Resort for more details. If you have elected to finance the purchase of your Ownership Interest with DVD, the sale, transfer or further encumbrance of your Ownership Interest will be subject to the "due on sale or encumbrance" provisions of your mortgage or deed of trust with DVD. This means that, upon a sale or the transfer of all of your Ownership Interest or upon any attempt by you to subject your Ownership Interest to a lien or mortgage other than the purchase money mortgage or deed of trust in favor of DVD, the entire loan amount which you owe to DVD and which is the subject of your mortgage or deed of trust with DVD, at DVD's option, shall become due and payable in full. As stated above, since DVD will continue to sell Ownership Interests at each DVC Resort for its own account, DVD will also be in competition with you if you elect to resell your Ownership Interest. Neither DVD nor any of The TWDC Companies is under any obligation to assist you in connection with the sale of your Ownership Interest or with financing in the event of such sale.

Any permitted sale between you and a bona fide third party shall be deemed to contain a provision requiring that any sums due to the association as assessments must be paid in full as a condition of closing of the sale. Any lease or rental agreement shall be deemed to contain a provision requiring that any sums due to the Association as assessments must be deducted from the gross rentals and paid directly to the Association.

Accordingly, given these restrictions and other factors affecting resale or rental, purchase of an Ownership Interest should be based upon its value as a vacation experience and for spending leisure time, and not for the purpose of acquiring an appreciating investment or with an expectation that an Ownership Interest may be resold or that any reservation of use may be rented to a third party.

Language available for communication:

The primary language available for communication with DVD is English.

Dispute Resolution:

There is no mandatory dispute resolution provisions in the purchase agreement for Ownership Interests and each such agreement shall be governed by the laws of the State in which the specific DVC Resort is located and requires that each party waives any right to a trial by jury, and that each party submit to the exclusive personal jurisdiction and venue of the specific court noted in the purchase agreement, with respect to any suit or legal action brought under the agreement.

Signature of the consumer:
