Redeeming Your Meals

- Present your valid Disney Resort ID (either a *MagicBand* or card) to the server or cashier at the time a meal or snack is purchased and specify the number of meals or snacks being redeemed for Guests ages 10+ on your Disney Quick-Service Dining Plan and the number of meals or snacks being redeemed for Guests ages three to nine on your Disney Quick-Service Dining Plan.
- Guests ages three to nine must order from a children's menu where available.
- You may **not** redeem meals or snacks for any Guests who are not on your Disney Quick-Service Dining Plan.
- The Disney Quick-Service Dining Plan is unavailable for Guests under the age of three, but they may share from an adult plate at no charge, or a meal may be purchased from the menu. The price of the meal will be added to your bill.

Tracking Your Meals

- Your meal usage will be tracked electronically to your reservation. The example below illustrates a party with two Guests ages 10+ and two Guests ages three to nine, staying on a three-night/four-day reservation utilizing one of their Quick-Service meal entitlements.

Number of Guests in Party		Total Quick-Service Meals	- Number of Redeemed Meals	= Remaining Quick-Service Meals
2 Guests age 10 and over:	Quick-Service Meals	12	2	10
2 Guests age 3-9	Quick-Service Meals	12	2	10
Total:		24	4	20

- After you dine, your party's remaining entitlements for the meal type you just enjoyed (Quick-Service or Snack) will be printed on the receipt.
- You can also contact your Resort Concierge at any time for your meal plan balance.
