Estimated Operating Budget Notes

All capitalized terms not defined in these budget notes will have the same meanings ascribed to such terms in the Component Site Public Offering Statement for Disney Vacation Club at Vero Beach ("Resort"). See also Additional Budget Notes.

Description of Revenue Components:

- Interest Income – Taxes and Operating - Interest earned on (i) ad valorem tax deposits held in escrow and (ii) operating budget deposits invested until expended for operating expenses.
- Member Late Fees and Interest - All delinquent Annual Dues payments are subject to a late fee of \$25 per Ownership Interest, plus interest at the maximum rate permitted by law (currently 18 percent) accrued on the amount outstanding from the original due date.

3. Breakage Income - As stated in the Condominium Documents, Disney Vacation Club Management, LLC ("DVMCMC") rents, during the Breakage Period, certain accommodations that have not been reserved by Members. The Association is entitled to receive, as breakage income, the proceeds of such rentals not to exceed 2.5 percent of the aggregate of the Condominium Operating Budget (total operating expenses less the sum of interest income and Member late fees and interest) and Capital Reserve Budget in each calendar year.
4. Member Annual Dues Assessment - The amount assessed to Owners with an Ownership Interest in Disney's Vero Beach Resort.
5. Developer Guarantee for Owners Who Purchased On or After 1/1/96 – DVD has agreed to guarantee to each Purchaser and Owner that they will only be required to pay an assessment for operating expenses of \$6,2188 per Vacation Point through December 31, 2018, exclusive of ad valorem taxes which are billed separately. In consideration of this guarantee and pursuant to Florida law, DVD will be excused from the payment of its share of the expenses which otherwise would have been assessed against its unsold Ownership Interests during the term of the guarantee. As a consequence of this exemption, during the term of this guarantee, existing Owners and current Purchasers will not be specially assessed with regard to Common Expenses, except as hereinafter provided, if Common Expenses exceed the guarantee per Vacation Point amount and DVD will pay any difference between actual expenses and assessments collected from all Owners and income from other sources. Amounts expended for any insurance coverage required by law or the Condominium Documents to be maintained by the Association and depreciation expense related to real property shall be excluded from the calculation of the Developer obligation except that for real property used for the production of fees, revenue or other income depreciation expense shall be excluded only to the extent they exceed the net income from the production of such fees, revenue or other income. DVD will pay such expenses as needed to meet expenses as they are incurred. However, any expenses incurred during the guarantee period resulting from a natural disaster or an act of God, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners owning Ownership Interests on the date of such natural disaster or act of God, or their successors or assigns, including DVD as to its unsold Ownership Interest, provided that during any period of time DVD controls the Association pursuant to Section 718.301, Florida Statutes, the Association maintains all insurance coverages required by Section 721.165, Florida Statutes. DVD reserves the right, but is under no obligation, to extend and/or increase the amount of this guarantee for one (1) or more periods of one (1) year each after the expiration of this guarantee period on December 31, 2018, as permitted by Florida law.
6. Developer Subsidy for Owners Who Purchased Prior to 1/1/96 - The Vero Beach Resort was structured as a phased condominium and no additional phases are intended to be added to the condominium. Only 175 Vacation Homes have actually been made part of the Condominium. In an effort to afford Owners who purchased prior to 1/1/96 with a fair and equitable assessment, DVD has committed to Owners who purchased prior to 1/1/96 that the net annual assessment for condominium common expenses imposed upon such Owner shall be based upon the assumption that 266 Vacation Homes have actually been added to the condominium. This is accomplished through a developer contributed subsidy, which for the year January 1, 2018 through December 31, 2018, will be \$1,5654 per Vacation Point for Owners who purchased prior to 1/1/96. The amount of the developer contributed subsidy as set forth in this Annual Operating Budget is an estimated amount only. The actual amount will be equal to the amount necessary to pay the difference between the actual Operating Budget determined on a per Vacation Point basis based upon 175 Vacation Homes and the estimated Operating Budget determined on a per Vacation Point basis based upon 266 Vacation Homes. The obligation of DVD to commit to pay this subsidy during the subsidy period is a matter of private contract between DVD and Owners who purchased prior to 1/1/96. DVD does not offer this subsidy to Owners who purchase on or after 1/1/96.

By basing the net annual operating assessment for the budget year 2018 on the presumption that 266 Vacation Homes would have been declared into the Condominium, DVD is able to provide Owners who purchased prior to 1/1/96 with a lower annual operating assessment. It is currently contemplated that no additional Vacation Homes will be added to the Condominium.

As a consequence of this subsidy, assessments during the subsidy period for Owners who purchased prior to 1/1/96 will not exceed an amount on a per Vacation Point basis equal to the Owners' share of the estimated Common Expenses determined as if there were 266 Vacation Homes declared into the Condominium.

Description of Cost Components:

1. Administration and Front Desk - Cost of front desk operations and resort management, including operating supplies and equipment rental. Also includes costs for operational and administrative support from the WALT DISNEY WORLD® Resort ("WDW").
2. Annual Audit - Fee for the independent audit of the Association's financial statements as required by Florida law.
3. DVC Reservation Component - Fee paid to Buena Vista Trading Company for providing the exchange component of the Club central reservation system.
4. Fees to the Division - Annual fee of \$2 per Vacation Home per seven days of annual use availability assessed by the State of Florida for regulation of the timeshare industry in Florida.
5. Housekeeping - Cost of cleaning Vacation Homes and public areas and replacement of disposable amenities in Vacation Homes. Also includes the purchase, replacement and cleaning of linens and towels.
6. Hurricane Irma Assessment - To fund repairs related to Hurricane Irma and is the estimated amount not covered under the insurance policy due to the deductible.
7. Income Taxes - Federal income taxes. Timeshare condominium associations may not claim non-profit status for federal income tax purposes under current regulations.

9. Legal - Cost of legal counsel regarding Association business.
10. Maintenance - Cost of interior and exterior maintenance and repairs not paid for out of replacement reserves. Also includes landscaping, pest control and fire alarm monitoring.

12. Member Activities - Cost of recreation operations, certain Member activities and events at the Resort. Cost of quarterly Member newsletter, annual Association meetings and printing and postage for Association legal mailings.
13. Security - Cost of guard coverage at the Resort.
14. Utilities - Cost of electricity, gas, water, sewer, solid waste disposal, cable television and telephone service at the Resort.

Estimated Capital Reserves Budget Notes

All capitalized terms not defined in these budget notes will have the same meanings ascribed to such terms in the Component Site Public Offering Statement for Disney Vacation Club at Vero Beach.

- Funds Covered** - The annual budget for Capital Reserves covers funds set aside, in accordance with Chapter 721, Florida Statutes, using the pooling accounting method, for the repair or replacement of major items pertaining to the Units and Common Elements with a useful life of greater than one year. The interest earned on these funds remains in the Capital Reserves account and is not absorbed into the Operating Budgets.
- Developer Subsidy for Owners Who Purchased Prior to 1/1/96** - The Vero Beach Resort was originally structured as a phased condominium and no additional phases are intended to be added to the condominium. Only 175 Vacation Homes have actually been made part of the Condominium.

In an effort to afford Owners who purchased prior to 1/1/96 with a fair and equitable dues assessment, DVD has committed to Owners who purchased prior to 1/1/96 that the net annual assessment for Common Expenses of the Condominium imposed upon such Owners who purchased prior to 1/1/96 shall be based upon the assumption that 266 Vacation Homes (equivalent to a total of 3,081,338 Vacation Points) have actually been added to the Condominium. This is accomplished through a developer contributed subsidy, which for the year January 1, 2018 through December 31, 2018, will be \$0.2550 per Vacation Point for Owners who purchased prior to 1/1/96.

The amount of the developer contributed subsidy as set forth in this Annual Capital Reserves Budget is an estimated amount only. The actual amount will be equal to the amount necessary to pay the difference between the Annual Capital Reserve Budget determined on a per Vacation Point basis based upon 175 Vacation Homes and the Annual Capital Reserve Budget determined on a per Vacation Point basis based upon 266 Vacation Homes. The obligation of DVD to commit to pay this subsidy during the subsidy period is a matter of private contract between DVD and Owners who purchased prior to 1/1/96. DVD does not offer this subsidy to Owners who purchase on or after 1/1/96.

By basing the net annual capital reserves assessment for the budget year 2018 on the presumption that 266 Vacation Homes would have been declared into the Condominium, DVD is able to provide Owners who purchased prior to 1/1/96 with a lower annual capital reserves assessment. It is currently contemplated that no additional Vacation Homes will be added to the Condominium.

As a consequence of this subsidy, assessments during the subsidy period for Owners who purchased prior to 1/1/96 will not exceed an amount on a per Vacation Point basis equal to the Owners' share of the Annual Capital Reserve Budget determined as if there were 266 Vacation Homes declared into the Condominium. DVD shall not be liable for any capital reserve Common Expenses incurred during the subsidy period that are in excess of budgeted Common Expenses for capital reserves.

3. Developer Guarantee – DVD has agreed to guarantee to each Purchaser and Owner that they will only be required to pay an assessment for reserves expenses of \$1.6426 per Vacation Point through December 31, 2018, exclusive of ad valorem taxes, which are billed separately. In consideration of this guarantee and pursuant to Florida law, DVD will be excused from the payment of its share of the Common Expenses which otherwise would have been assessed against its unsold Ownership Interests during the term of the guarantee. As a consequence of this exemption, during the term of this guarantee, DVD will pay any difference between actual expenses and assessments collected from all Owners and income from other sources. DVD will pay such expenses as needed to meet expenses as the expenses are incurred. However, any Common Expenses incurred during the guarantee period resulting from a natural disaster or an act of God, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners owning Ownership Interests on the date of such natural disaster or act of God, or their successors or assigns, including DVD, provided that during any period of time DVD controls the Association pursuant to Section 718.301, Florida Statutes, the Association maintains all insurance coverages required by Section 721.165, Florida Statutes. DVD reserves the right, but is under no obligation, to extend and/or increase the amount of this guarantee for one (1) or more periods of one (1) year each after the expiration of this guarantee period on December 31, 2018, as permitted by Florida law.

Estimated Ad Valorem Taxes for January 1, 2018 through December 31, 2018

The amount of ad valorem taxes assessed against each Unit will be determined by the Indian River County Property Appraiser's Office. The estimated ad valorem tax assessments to be included on your 2018 Annual Dues billing statement will be \$0.6646 per Vacation Point. This is DVCMC's best estimate of the actual taxes which will be assessed for the tax year 2018. DVCMC does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the Indian River County Tax Collector's Office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment.

2018 Estimated Annual Dues Assessment

For Owners Who Purchased On or After 1/1/96: The estimated Annual Dues for the year January 1, 2018 through December 31, 2018 are \$8.5260 per Vacation Point which is comprised of the estimated Annual Operating Budget (\$6.2188 per Vacation Point), the estimated Annual Capital Reserves Budget (\$1.6426 per Vacation Point) and the estimated ad valorem taxes (\$0.6646 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$8.5260. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$1,542.29.
