4. Related Party Transactions - DVD is a Florida corporation and a related entity of The Walt Disney Company ("TWDC"), a Delaware corporation. DVD acquired a term-for-years interest in certain property, located in Anaheim, California. DVD developed the Condominium on the property, and sells ownership interests in Condominium units, as part of the vacation ownership plan. DVD developed the Condominium under the terms of a ground lease by and between Walt Disney Parks and Resorts U.S., Inc. ("WDPR"), a Florida corporation (formerly Walt Disney World Co.), its successors and assigns, as successor by merger to Walt Disney World Hospitality & Recreation Corporation, ("WDWHRC"), and DVD. WDPR is also a subsidiary of TWDC. The terms of the ground lease permit DVD to develop certain real property in Orange County, California, for the purpose of offering prospective purchasers ownership interests in Condominium units as part of the vacation ownership plan. Unless otherwise extended, the ground lease will expire on January 31, 2060 and vest to the benefit of WDPR.

Certain directors or officers of DVD or DVCMC serve on the Board or as officers of the Association. Certain directors or officers of the Association are also employees of TWDC or its affiliates.

DVD retains no less than 2 percent of the total ownership interests in each unit declared in the Condominium and is responsible for annual dues with respect to its retained or unsold ownership interests. DVD has retained ownership interests equivalent to approximately 22,756 vacation points. In addition, DVD also had unsold ownership interests equivalent to approximately 2,287 vacation points as of December 31, 2016. During the year ended December 31, 2016, DVD annual dues paid to the Association were \$101,164.

During the year ended December 31, 2016, DVD voluntarily subsidized the operations of the Association of the common expenses incurred in the amount of \$10,344.

As of December 31, 2016, the amount due from DVD of \$198,162 is primarily related to the voluntary subsidy and DVD's portion of allocated hotel unit expense.

DVCMC, a Florida corporation, is the manager of the Association and is also a subsidiary of TWDC.

Management fees payable to DVCMC are 12 percent of the total operating and reserve budget exclusive of real estate taxes, transportation fees, and the management fee, itself. Management fees incurred during the year ended December 31, 2016, were \$541,523.

DVCMC has entered into an agreement with the Association whereby DVCMC may operate a resort hotel operation with respect to the rental of unreserved accommodations in the Condominium. Proceeds, resulting from the rental of unreserved accommodations, are retained by the Association up to an amount equal to 2.5 percent of the adjusted operating and reserve budget, as defined, in each calendar year, as breakage revenue. During the year ended December 31, 2016, the Association received \$141,244 in breakage revenue.

Substantially all operating expenses have been allocated to the Association from DVCMC, and certain operating expenses have been rendered by or incurred through other TWDC entities.

Amounts due to or from DVCMC are payable in full and due on demand. As of December 31, 2016, the amount due to DVCMC of \$509,046 related to allocable expenses, net of annual dues collected but not yet remitted to the Association.

5. Management Agreement - The Association currently has a three-year management agreement ending on December 15, 2019 with DVCMC. The management agreement automatically renews for successive periods of three (3) years each, upon its scheduled expiration, unless either party gives the other written notice of nonrenewal, as stipulated in the agreement. DVCMC provides on-site management and maintenance services, and off-site administrative and accounting services.

Pursuant to the management agreement, DVCMC has been delegated the authority by the Association to provide all services, through employees and experts retained by it, incidental to the management

and operation of the Condominium. In connection therewith, substantially all operating expenses have been allocated to the Association from DVCMC. However, certain operating expenses may be incurred through other TWDC entities.

6. Vacation Homes - Wherever used throughout this budget, the term Vacation Home does not include studio or one bedroom accommodations that comprise part of a two bedroom lockoff Vacation Home.

Estimated Ad Valorem Taxes for January 1, 2018 through December 31, 2018

The amount of ad valorem taxes assessed against the Condominium as a whole will be determined by the Orange County Assessor. The estimated ad valorem tax assessments to be included on your 2018 Annual Dues billing statement will be \$1.0095 per Vacation Point. This is DVCMC's best estimate of the actual taxes, which will be assessed for the tax year 2018. DVCMC does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment. Section 2 of Article XIII A of the California Constitution (enacted by Proposition 13) establishes an acquisition-value assessment system. It provides that real property is to be assessed at its value when acquired through a change of ownership or by new construction. Thereafter, increases in the taxable value of property are limited. As a result, similar properties may have different taxable values. However, the Condominium Documents permit the Association to allocate Ad Valorem Taxes in any equitable manner, including in the same manner in which Common Expenses are allocated. For tax year 2018, the ad valorem taxes are allocated in the same manner as Common Expenses are allocated (on a per Vacation Point basis). In the future, ad valorem tax assessments may be specifically assessed against each Ownership Interests which would result in Owners paying different amounts of taxes depending on when Owners purchased their Ownership Interest.

2018 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2018 through December 31, 2018 are \$5.8828 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$4.1734 per Vacation Point), the estimated Annual Capital Reserves Budget (\$0.6999 per Vacation Point) and the estimated ad valorem taxes (\$1.0095 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$5.8828. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$1,353.04.
