July–December 2012

Whether your next trip is for a few days of magic or a long fun-filled vacation, we're glad you are enjoying your Membership. To make sure you get the most from your stay, we've created this online version of *Portable Perks* that you can print right from home before you travel. This new tool supports our commitment to protect the environment by reducing the number of printed booklets that we produce each year. Plus, it allows you to shop discounts before you travel so that you'll know exactly what you want to do once you arrive!
